

A prayer for those beginning the Anglican Theology and Practice Certificate

This prayer can be used in a service or other gathering as participants begin the journey of the Anglican Theology and Practice Certificate. Participants might like to keep a copy in their journal, so that it can be a part of their prayer life as they study.

Friends might use it to support Participants along the way. There are many uses!

God, whose wisdom is deep and wide,
give us peace and a quiet space in busy lives,
To open our minds to question,
open our hearts to listen and
open our spirits to understand.

We give this journey to you.
We offer our time, thoughts and creativity
to enrich the community of faith here and beyond.
Challenge us now, to be a blessing to each other
when life is real and faith is tested.

Amen
