ST FRANCIS COLLEGE
SOUTHERN QUEENSLAND

Enabling you to empower others

St Francis Theological College, Brisbane, in partnership with St Mark's National Theological Centre Canberra, are pleased to offer this nationally recognised course for the training of Professional Supervisors in Brisbane in 2021.

About the Course

This course gives clergy and/or therapists the opportunity to study the theory and practice of professional supervision of other carers. It is intended to train people to work as:

- Pastoral supervisors of clergy, church workers and pastoral carers
- Clinical supervisors of counsellors, therapists, social workers, and youth and community workers
- Supervisors of counselling or ministry students in training
- Supervisors of pastoral care workers in hospitals and aged care facilities.

A minimum of 5 years' experience in your relevant field is required

Structure of the Course

The course is comprised of two streams – pastoral and clinical. Each stream is made up of 4 core units, plus 2 electives per stream. The stream completed is determined by the relevant background of the applicant.

Delivery

The course is part time, conducted over one year. It will be delivered at St Francis College Milton and is made up of 8 days of intensive classroom training, online and work-based practice and input.

Fees
