

A liturgy to celebrate completion of the Anglican Theology and Practice Certificate

1. *The minister welcomes the Participants to come forward.*
2. *The minister addresses the congregation*

We pause to recognise the achievement of (names) who dedicated time and energy to complete the Anglican Theology and Practice Certificate.

3. *The minister and the people may say this together*

**Gracious God, whose wisdom is deep and wide,
Thank you for being at the core of our questions,
at the end of our searching,
in the depths of our doubt and
at the height of our exhilaration.**

We thank you for (names) and their dedication to learning about faith in this way.

May our community be blessed and enriched by their lives with us.

Amen

4. *The minister says to the Participants*

We are grateful for your work in our community and for your journey of discovery. You have achieved the Anglican Theology and Practice Certificate—congratulations, and grow in peace to love and serve the Lord!

5. *Participants and congregation say together*

We will with God's help

Amen
